

## CONFIRMATION OF PARTICIPATION

This is to confirm that P. Pavan Kumar Reddy  
Vidya Jyothi Institute of Technology  
participated at

SPIE Optics + Photonics  
18 August – 23 August 2024  
San Diego, California, United States

P. Pavan Kumar Reddy had the following roles in the SPIE Optics + Photonics program. Submissions to this event were reviewed and accepted for presentation by the chair(s).

Author and presented poster:

Paper 13123-58

Investigation on electronic structure and optical properties of lead-free double perovskite  $A_2SnCl_6$  ( $A = \text{Sr}, \text{K}$ ) from first principle study

Marilyn Gorsuch  
Senior Director, Technical Programs
